IMPORTANT NOTICE

National Organisations are advised that the International Life Saving Federation (ILS) signed an Agreement with the World Anti Doping Agency (WADA) and that ILS allows them to do out of competition testing on all lifesaving competitors. The WADA Agreement requires National Organisations to register potential Members of the National Teams with ILS at least 90 days prior to International Competitions. For the 2004 World Championships, names must be submitted to WADA by 15 June 2004 and therefore all names must be submitted to the ILS Headquarters before that date. **Competitors not registered on the list will not be able to compete for National Teams in Rescue 2004.**
